Attorney's Docket No. 07314/013001

Conclusion

It is believed that all of the pending claims have been addressed in this paper. However, failure to address a specific rejection, issue, or comment, does not signify agreement with or concession of that rejection, issue or comment. In addition, because the arguments made above are not intended to be exhaustive, there may be reasons for patentability of any or all pending claims (or other claims) that have not been expressed. Finally, nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

Claims 8-15, 37-44, and 66-73 are in condition for allowance, and a notice to that effect is respectfully solicited.

Should any issues remain after this amendment, the Examiner is encouraged to call the undersigned at (858) 678-4321 in an attempt to address those issues.

Please apply the \$60.00 one month extension fee and any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: July 11, 2005
